

AIR COLLECTION

DESIGN BY RASMUS FALKENBERG

Die AIR COLLECTION bietet die ideale Lösung für alle, die auch im urbanen Raum ihren Wohnbereich nach draußen vergrößern wollen. Durch das flexible Bausystem der Kollektion können persönliche Lösungen ganz nach Ihrem Geschmack kreiert werden. Die Kombination aus Corian® und Edelstahl sorgt für Langlebigkeit, die Stoffe in unterschiedlichen Texturen ergänzen das reduziert-elegante Design.

The AIR COLLECTION offers the ideal solution for all who want to extend their living area to the outside – not only in the urban area. The flexible building system of the collection allows to create personal solutions according to your own taste. The combination of Corian® and stainless steel ensures durability; the fabrics in a variety of textures complement the elegant, streamlined design.
